

Lon Safko's Inexpensive Speaker's Kit

No Budget... No Problem!

INSTRUCTIONS

1. Cut out and assemble podium.
2. Cut out Lon and dress in appropriate attire.
3. Set up podium and Lon in front of your computer monitor.
4. Go to www.Safko.com and select one of Lon's sample video presentations.
5. Turn your speakers up as loud as they will go and hit play.

It's almost like having Lon right there!

Casual

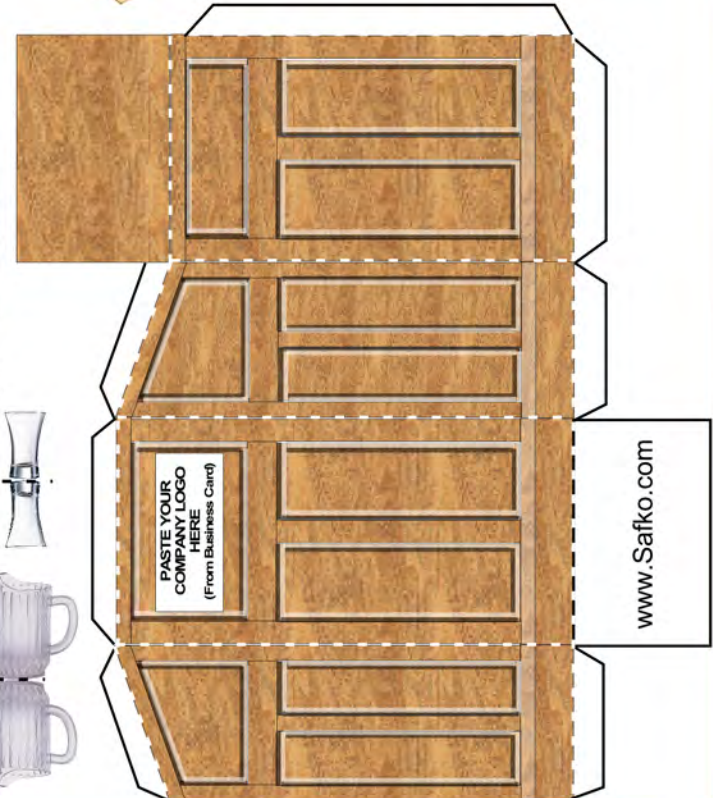

Business Casual

Business

Cut these out and use refreshments, microphones, notepad, and projector... for additional realism!
